Safeguarding.

All our staff have had training relating to Safeguarding. This means about keeping you safe. We are committed to safeguarding all of our members and promoting their welfare and expect all our staff and volunteers to share this commitment.

At our activities you should always feel safe and protected. If you don't and you feel scared or threatened in any way, or if you see, hear or think that anyone is being bullied or hurt in anyway you speak to any staff member, Edward or your parents/carers.

Information.

- If you are dropped off by a parent/volunteer you still pay full group price.
- We still need to know if you are coming even if with your own staff, you can't just turn up, for a number of reasons.
- You can only come to one Bowling unless you come with your own support.
- If you prefer you can pay for all your activities monthly by cheque or online, please ask for details. If you pay by bank transfer put the month as your reference.
- If you would like a receipt for the payments or the activities this is available if you email Edward.
- If you have a blue badge please bring it.
- When staff/volunteer/parents drop people off please make sure it is outside the person's house and make sure you see them go in.

Activity Cancellations

We understand that sometimes it is necessary to cancel activities that you have booked. We would appreciate it however, if you could give at least 2 days' notice of cancellation so that we have time to offer your place to someone else. If you don't give 2 days' notice or do not inform us at all we may have to charge you the cost of the activity even if you are coming with your own support especially where we have had to pay in advance for places.

If you are genuinely unwell on the day of the Activity then you should still inform us and if you cancel in enough time you would not be charged.
